Adults Needed

Adult volunteers are needed for the summer events. You don't need to do any preparations or planning, just show up, eat food, and tell corny jokes.

The main needs are for Christian adults (both singles and married couples) to be a presence and role model for the youth, and to drive and chaperone on trips.

Let me know if you're interested in hanging out with the youth group! You can help out just once or on a regular basis.

No Youth Nite:

- June 20 (for Father's Day)
- July 4 (for Independence Day)
- July 18 (for the Lock-In)

All Combined...

The 5th graders are invited to join the Youth Group for Youth Nite events!!

They will still attend 5th grade Sunday School and Wednesday Night Lessons. This summer is a 'transitional time' so the older and younger youth can get to know each other during the super-fun-summer-events.

Church Summer Camp

The SWTC of the UMC (the Midwinter people) are offering summer camps for youth.
